

Autodesk® Dynamo Forma BETA and Autodesk® Dynamo Player BETA

© 2023 Autodesk, Inc. All rights reserved.

Beta Terms

Autodesk invites you to test and experience beta versions of Autodesk Dynamo Forma and/or Autodesk Dynamo Player (collectively, “**Beta**”). Subject to the terms set forth below (the “**Beta Terms**”), this Beta is governed by the Autodesk [Terms of Use](#), which are incorporated by reference herein (collectively, with the Beta Terms, the “**Terms**”). To the extent of any conflict between the Beta Terms and the Autodesk Terms of Use, the Beta Terms will control. All terms used herein, but not otherwise defined in the Beta Terms, will have the meanings set forth in the Autodesk Terms of Use.

Your use of the Trial Versions: Any products, applications and/or features made available to You as part of the Beta, including without limitation Autodesk Dynamo Forma and Autodesk Dynamo Player, are Trial Versions” under the Autodesk terms of service. You agree that you are not a competitor and will not use any Trial Versions provided to you by Autodesk in connection with this Beta for competitive analysis purposes.

Beta Period: Your subscription and access to the Software will begin on the date of Your acceptance of these Terms, and unless earlier terminated, will continue until the end of the Beta period as determined solely by Autodesk. Autodesk reserves the rights, at its sole discretion, to modify, suspend or terminate your participation in the Beta and these Terms at any time for any reason. You may terminate your participation in the Beta and these Terms at any time for any reason.

By installing, downloading, accessing, or otherwise copying or using all or any products, applications, and/or features under the Beta, you acknowledge and agree that (a) you would like to participate in the Beta, (b) you have read, accept, and consent to the Terms and (c) you acknowledge the Autodesk Privacy Statement, and agree to the use, processing and storage of your personal data in accordance with the Autodesk Privacy Statement (including cross-border transfers as described in this policy). If You do not agree, You do not have the right to participate in the Beta or access any of products, applications, and/or features provided hereunder.

Privacy

To learn more about Autodesk's online and offline privacy practices, please see the [Autodesk Privacy Statement](#) .

Autodesk Trademarks

The trademarks on the [Autodesk Trademarks page](#) are registered trademarks or trademarks of Autodesk, Inc., and/or its subsidiaries and/or affiliates in the USA and/or other countries.

All other brand names, product names or trademarks belong to their respective holders.

Patents

This Product or Service is protected by patents listed on the [Autodesk Patents](#) page.

Autodesk Cloud and Desktop Components

This Product or Service may incorporate or use background Autodesk online and desktop technology components. For information about these components, see [Autodesk Cloud Platform Components](#) and [Autodesk Desktop Platform Components](#) .

IF THIS AUTODESK PRODUCT HAS BEEN LABELED AND IDENTIFIED AS CITRIX READY, then this means that this Autodesk software has completed validation testing with Citrix® Presentation Server™/XenApp™ software through the Citrix Ready program. The Citrix Ready designation identifies products that are compatible with a Citrix application delivery environment. To find out more, visit www.autodesk.com/citrix. Citrix is a registered trademark and the Citrix Ready logo(s) is a trademark of Citrix Systems, Inc.

Additional Disclaimer: Whether this Autodesk Product has been labeled and identified as Citrix Ready, or this Autodesk product just works on the Citrix platform but has not been labeled and identified as Citrix Ready, please note that the Citrix application is network-based, and performance of Autodesk Applications on the Citrix Platform may vary with network performance. The Autodesk software does not include the Citrix application, nor does Autodesk provide direct support for issues with the Citrix application. Users should contact Citrix directly with questions related to procurement and operation of the Citrix application.
